THROUGH: Chief, Economic Research, ORR
THROUGH: Acting Chief, Industrial Division, ORR

FROM: Chief, Guided Missile Branch, D/I 25X1A2d2

SUBJECT: Geographic Area Support for [redacted]

1. It is requested that, in support of the guided missile intelligence collection objective of [redacted], Geographic 25X1A2d2
Area prepare (a) a description of tourist and professional objectives and annotated town plan for each of fourteen urban areas, (b) a description of towns with graphics, travel to which will require transit of eight suspect missile deployment regions and two test ranges, and (c) an overall map of the USSR showing the rail and air nets, restricted areas, and guided missile intelligence targets.

25X1A2d2 [redacted]

25X1A2d2 [redacted] In response to the needs of CO/C this branch in conjunction with OSI/GMD is preparing revised guided missile briefing material to replace that used during the past season.

3. This briefing material will be in the form of a standard loose leaf notebook organized as follows:

I Introduction

II General Indicators of Missile Related Activity

III Specific Target Areas

IV General Aids

III and IV above require the preparation of town descriptions, annotated town plans, and certain annotated general USSR maps.

4. As new information is received during the coming year, it will be necessary to prepare additional material for briefing purposes.
